#### About Laguna Art-A-Fair

Laguna Art-A-Fair is one of Orange County's premier fine art festivals connecting fine artists and art enthusiasts from around the world in Laguna Beach each summer since 1967.

A juried art exhibit, Laguna Art-A-Fair has set and maintained a standard of excellence that is respected both internationally and by the local art community. Arranged as an artist co-op, each participant plays a role in producing the annual exhibit that features 120 art exhibits, workshops, food & wine and live music in a scenic Laguna canyon setting. Unlike other local art shows, Laguna Art-A-Fair does not have residency restrictions so they draw a geographically diverse group of artists with works rich in quality yet diverse in content.

This year's Laguna Art-A-Fair - known as the Gem in the Canyon - will present a new feature connecting fine art with luxury home design. Festival promoters Gina Waggner and Jo Beth Prudhomme partnered with interior design expert Nancy Vengoechea of Vengo Design International to showcase an expansive new luxury home display area and home design-related workshops to help festival goers envision fine art in their own homes. UC Luxury Home Mortgage ([uclux.com](http://uclux.com)), a division of Union Choice Enterprise, will offer advice on how redesign increases home values and options for utilizing home equity for improvements.
