

# Powertrain Warranty Coverage from autopom! Keeps Your Car Covered

*For drivers with an expired manufacturer's warranty or extended auto warranty, a powertrain plus plan from autopom! is an affordable solution.*

LAKE FOREST, CALIFORNIA, UNITED STATES , January 23, 2018

/EINPresswire.com/ -- Drivers with older, higher mileage vehicles may face costly repairs the next time their transmission or engine fails if their manufacturer's warranty or [extended auto warranty](#) has expired. To keep drivers' vehicle and wallets safe after their [auto warranty](#) has expired, autopom! is offering powertrain plans to cover repair costs to the essential vehicle components.

Powertrain warranty expired? You can find a vehicle protection plan from autopom!

A powertrain plan from autopom! is similar to [powertrain warranty](#) plans offered by the manufacturer or dealership. Powertrain plans from autopom! include coverage for the drivetrain, including the engine, turbo/supercharger, transmission, transfer case and drive axle.

"Our Powertrain Plus plans include additional components, like basic electrical and air conditioning items," says Mike Jones, president and CEO of autopom!

autopom! has long been a leading provider of vehicle protection plans in California. Now, drivers in nearly every state can replace their expired auto warranty with a powertrain plan from autopom!'s team of consultants.
