ATLANTA, GA, USA, January 16, 2018 /EINPresswire.com/ -- Atlanta-based award-winning Christian artist Rahn Anthony took the international press and airwaves by storm with 2017's most inspirational track, "I'll Trust You." The song earned him a Radio Music Award and an Indie Music Channel Award, and numerous other accolades, including the Man-Up Award, for his charity work. Rahn's history with inspirational music has helped him develop a positive relationship with God and the world of song. Despite the heartbreaking circumstances surrounding the death of his special needs son, Aaron Hatcher, Rahn has been able to turn tragedy to triumph, delivering a message of hope and love to the masses.

Rahn Anthony releases his new single, "Highway"

Encouraged by the support the country music world showed his r&b-flavored music, Rahn has returned with an ambitious new "country soul" tune, that's reminiscent of Darius Rucker, Charley Pride and other soulful country artists. "Highway" was written by Rahn, and it tells of his journey from tragedy to triumph, looking back on the story of his life.

Rahn says, "Highway' is an inspiring life song about the road you are on. When we go through things in life, they take us where we need to be, at the time of the inspiration. Look at the road of life as a 'highway,' and stay on that road of success. When we have a chance to live a life of gratitude, we take the right road, and love all, no matter what. 'Highway' is the way of life."

"Highway" is now available for pre-sale on iTunes. The worldwide release date is set for January 19th, 2018.
