INC 5000 acknowledges RE/MAX Titanium as the "Fastest Growing Private Company in America" for a second year in a row.

ROSEMEAD, CA, USA, January 16, 2018 /EINPresswire.com/ -- No one makes into the Inc. 5000 without having built something great from scratch, says the editorial of media house while introducing the fastest growing companies of the US. California based Re/Max Titanium has proudly made it to the list at #660. The realty firm run by Rudy Lira Kusuma clocked a growth rate of 692% in a three year period.

Founded in 2007, Re/Max Titanium has achieved a titanic stature in California real estate market with the 'client first' approach set by Rudy Lira Kusuma. A Five-Star Home Professional award winner of the 'Los Angeles' magazine, Rudy is considered one of the most accountable of real estate agents, offering transparent guarantees to clients for home sales.

The advertisement features a central portrait of Rudy Lira Kusuma, a man with glasses wearing a blue shirt and a dark suit jacket. To the right of the portrait is a grid of logos for various media and real estate services, including Zillow (5-Star Agent), Trulia (5-Star Agent), KFI AM 640, NBC, MS NBC, Yahoo! Finance, Yahoo! Real Estate (5-Star), CTV (東森綜合), FOX NEWS Channel, yelp (5-Star), THE BRIAN TRACY SHOW, and abc NEWS. Below the logos, the text reads: **YOUR HOME SOLD Guaranteed, or I'll Buy It!***

The 2016 Inc. 5000 list comprises 'the superheroes of the US economy'. These are the companies whose strategy, service and innovations have set them apart from the rest with their gigantic rates of growth. The list covers all major sectors, from retail and software to manufacturing, entertainment and health.

Rudy Lira Kusuma is also the founder of Rudy L. Kusuma Home Selling Team, a full service real estate brokerage team,

which carries over Rudy's commitment to clients. Kusuma Home Selling Team for expert advice and services. The Rudy L. Kusuma Home Selling Team also offers Temple city real estate agents and Pasadena real estate agents.

The inclusion in Inc. 5000 is a result of some futuristic business practices by Re/Max Titanium and Rudy L. Kusuma Home Selling Team. Every client is provided with an expert to guide them through each step of the real estate buying or selling process. Rudy's experience in complex transactions also comes handy with more value-added services such as pre-foreclosure sales, short sales, divorce

sales, trust, and probate. It is no mean feat that he has successfully negotiated over \$30 million in distressed sales in the US.

One of the remarkable strategies that lies behind the Inc. 5000 listing is the personal guarantee that Re/Max Titanium and Rudy L. Kusuma Home Selling Team offer. For instance, the offer "Your Home Sold Guaranteed, or I'll Buy it Cash," which guarantees that every listed home will be sold with an upfront offer by the firm itself so that no client is stuck owning two homes.
