

UNLEASHED from DownUnder

Australia's most watched mates push themselves, their crew and their gear to the limit in order to achieve the best 4X4 & adventure show in the country.

BOULDER, CO, USA, January 18, 2018 /EINPresswire.com/ -- Armed with ingenuity, grit and a relentless sense of [adventure](#), Aussie explorers Jase and Simon push themselves and their gear to breaking point in UNLEASHED.

Using their workshop know-how, these two mates fabricate custom accessories that allow them to take their vehicles to the most remote corners of the wild Australian outback, conquering brutal terrain and extreme danger without any support or backup plans.

The best adventure show isn't on television in the US... it's right here at UNLEASHED.

“

You blokes are what Malcom Douglas and the Bush Tucker Man were to me for my 2 boys. Love it.”
