

WordPress Tutorials for Beginners and Advanced Users for Free, From Canadian Web Hosting Company

Hosted in Canada are responding to one of their most frequent client requests by offering free WordPress tutorials, with every WordPress website.

TORONTO, ONTARIO, CANADA, January 22, 2018 /EINPresswire.com/ -- Hosted in Canada are responding to one of their most frequent client requests by offering [free WordPress tutorials](#), with every WordPress website.

There's no doubt at all that WordPress is the most popular platform for both businesses and individuals to build their websites. The big problem is, although it is considered easy to use once learned, that learning process needs a step by step process to learn all of the amazing things WordPress can do. [Canadian web hosting](#) company Hosted in Canada are answering the call for help, with the recent announcement they are making available top-rated, easy-to-follow WordPress tutorials to all of their [WordPress hosting Canada](#) customers, that answer, simply, just about any common issue, they may come across.

“

These tutorials are great. I had been relying on some YouTube videos that were impossible to keep up with and poorly taught and a PDF or two that suffered the same issue. I already thought Hosted..”

Denise R.

deliver first-class customer service, attractive price points, and a long list of other benefits that their competitors have just not been able to match consistently.

According to the company, the free WordPress tutorials are delivered in video manual form or text and are provided right within your WordPress control panel for quick and easy reference, which most people agree is the easiest way to follow and learn to use the platform. An extremely large number of topics are covered.

HOME HOSTING DOMAINS OUR SERVICES RESOURCES & TOOLS COMPANY SUPPORT

We offer the best WordPress hosting PACKAGE available on the market, guaranteed! I know this is a HUGE claim, but its fact. After securing your WordPress hosting package, what are the next major decision you need to make when building a WordPress website? You need three things:

- 1 An A-LIST of WordPress plugins that WORK and will help you grow your business, and make your life easy.
- 2 A WordPress theme that makes you look like the PRO you are.
- 3 Finally, a WordPress Professional you can actually TALK TO. Who's in Canada.

best WordPress Hosting Packages

Canadian website hosting customers have responded very positively to the news.

Denise R., recently said, "These tutorials are great. I had been relying on some YouTube videos that were impossible to keep up with and poorly taught and a PDF or two that suffered the same issue. I already thought Hosted in Canada was the best WordPress hosting Canada choice, this new free service further confirms that fact! Five stars."

The amazing part is whenever your WordPress version is updated, so do your videos and manuals.

The screenshot shows the top navigation bar with links for HOME, HOSTING, DOMAINS, OUR SERVICES, RESOURCES & TOOLS, COMPANY, and SUPPORT. The main heading is "WordPress Hosting in Canada." Below it, a text block states: "Easy to use, Fast, Reliable and a Friendly Support team you can talk to, with a ton of VALUE ADDED Benefits. Why are we TRULY THE BEST Canadian WordPress Hosting company in Canada? Because we know what its like to setup a customized, secured, responsive, affordable and dynamically interactive WordPress website. Yes, we've been at it since 1995. Because of this knowledge and experience we've packaged all the tools and resources you need and we provide support with trained, experienced and friendly staff with tutorials." A central image shows a WordPress dashboard with a "Get Started" button and a magnifying glass over a red maple leaf. A sidebar menu on the left lists various dashboard options like Home, Updates, Posts, Media, Pages, Comments, 1&1 WP Wizard, Appearance, Plugins, Users, Tools, Settings, and Collapse menu.

WordPress Hosting Canada

The screenshot shows the Hosted in Canada logo and navigation bar. The main content area features a headline: "Finally, having access to a WordPress professional with experience is crucial." Below this, a text block reads: "Someone you can talk to and ask direct questions and even get help with Development, Graphic Design and WordPress Customization. The ability to chat with one of our professionals is FREE and apart of our WP Enhanced or WP Enterprise packages. If you need help tweaking or customizing your WordPress Website, we offer a 40%+ discount and access to a team of Graphic Designers, Developers, Marketing specialists and more." To the right, there is an image of hands holding a business card for Hosted in Canada.

Best WordPress Hosting in Canada
