

Lehigh Valley IT Support Team Named Top IT Service in Philadelphia Area

KDG's Allentown IT support team is recognized as a Philadelphia industry leader by Clutch.co.

ALLENTOWN , PENNSYLVANIA , UNITED STATES , January 24, 2018 /EINPresswire.com/ -- The [small business IT support](#) team at KDG in Allentown, PA has been named an industry leader in the Philadelphia area by Clutch.co, a Washington, D.C. B2B research firm.

Clutch named KDG's Lehigh Valley IT support team an industry leader in the Philadelphia area based on client interviews, customer ratings, and detailed industry research and analysis. In the firm's leaders matrix, the tech management team ranks number one for its ability to deliver and is the only firm recognized as "proven" in its results.

“

We're onsite with our clients, answering their questions, walking them through their concerns, and acting as an internal support team.”

Patrick Whalen, Head Technical Analyst

“We take the experience we offer our clients very seriously,” says Patrick Whalen, head technical analyst at KDG. “We're onsite with our clients, answering their questions, walking them through their concerns, and acting as an internal support team to keep their business, their customers, and their data safe and secure.”

For Lehigh Valley and Philadelphia businesses, KDG's small business IT support team performs network maintenance, system security, mail migration to Office 365, help desk

support, hardware services, software updates, VPN installation, and much more. For businesses in the area, the team can be onsite to conduct audits, answer questions, and perform repairs. In addition, the small business IT support team is a certified Google Cloud Partner, a Microsoft Partner, and a member of the Googler Reseller-Partner Program.
