— Imbue Botanicals, LLC, a Wyoming based company, is pleased to introduce its lifted trial size facial cream by its em-body line of topical CBD products. The product addition is a further expansion of its beauty product line which includes its popular highly-reviewed full size facial cream, exceptional eye cream and very popular peppermint lip balm.

Imbue Botanicals offers an extensive line of premium CBD products produced from organically grown Colorado hemp, including CBD tinctures and CBD capsules and CBD topicals for both people and pets.

“We are very excited to introduce our lifted trial size facial cream” said Tom Bauer, Managing Member of Imbue Botanicals. “This is something so many of our wholesale partners have asked for. It gives customers a chance to experience the product before they purchase the full size version. We are confident once folks try our extraordinary facial cream, they’ll be 100% sold! As we all know, finding an organic, all-natural, effective facial cream can be a real challenge. That’s why we put our experience and expertise to work to develop something better.”
