Cloud Credential Council (CCC) Appoints New Managing Director

The Board of Directors of the Cloud Credential Council (CCC) is pleased to announce the appointment of Mark O'Loughlin as Managing Director.

PALO ALTO, CALIFORNIA, UNITED STATES, January 24, 2018 /EINPresswire.com/ -- Mark O'Loughlin brings 20 years' experience in the IT industry to the CCC, most recently as Managing Director of consulting firm Red Circle Strategies and previously as Head of Advisory, Consulting, and Training with a focus on business development, sales, marketing, service delivery and customer service.

"I am delighted to join the executive leadership team at the CCC. I look forward to driving and expanding the CCC's global portfolio of vendor-neutral training and educational products, examinations and certifications while supporting our extensive global partner and client network. I am also looking

Mark O'Loughlin - CCC Managing Director

forward to driving innovations into the marketplace through the CCC, and expanding how the CCC can help organizations succeed in delivering their business goals by using the latest digital capabilities, emerging technologies and new-world thinking" says O'Loughlin.

> *Mark O'Loughlin.*

O'Loughlin is a recognized industry leader in the field of IT management and cloud computing. He is the Founder and Managing Director of Red Circle Strategies which specializes in providing advisory, consulting, training and management services to business and IT organizations, with a focus on innovation and embracing digital disruption.

Author of two books, O'Loughlin has written 'Professional Cloud Service Manager (PCSM),' one of the core certifications provided by the CCC and 'The Service Catalog' published as part of the ITSM Best-Practice library. Mark is a professional keynote speaker, regularly asked to speak at conferences and events. Mark is a former director at itSMF

Ireland, a Fellow of the Irish Computer Society (FICS) and was one of the first people to be globally awarded the ITIL® Master accreditation.

"Mark brings a wealth of experience and knowledge to the CCC. His appointment reflects the ambition of the Board of the CCC to grow our portfolio and support our partners and customer community. On behalf of the Board, I am delighted to welcome Mark to the CCC." says Sukhbir Jasuja, Chairman CCC.

About the CCC

Since 2011, the CCC has established itself as a leading global, member-driven organization, which develops, accredits and certifies a diverse portfolio of vendor-neutral education, training, and examinations covering IT and the Digital Age. In collaboration with industry leaders, experts, and organizations, the CCC has developed a portfolio of education, training and examination products covering areas including, Cloud, IoT, and Big Data.
