

BRIC Language Systems Recognized on the 2017 Entrepreneur 360 List

BRIC Language Systems, an online language learning resource was featured on the 2017 Entrepreneur 360 List based on its entrepreneurial experience in 2017.

NEW YORK, NEW YORK, UNITED STATES, January 24, 2018 /EINPresswire.com/ -- [BRIC Language Systems](#) is an online language learning system focused on teaching valuable languages for today, including Mandarin Chinese, Spanish and Brazilian Portuguese through its unique, sophisticating and interactive technology.

CEO, Ryan McMunn founded BRIC six years ago after struggling to [learn Mandarin Chinese](#) while working abroad. McMunn found success after learning the language from a program that was specifically designed to teach Mandarin Chinese and adapted their program to offer online courses for people around the world looking to learn a new language.

BRIC was recently recognized by Entrepreneur on their 2017 [Entrepreneur 360 List](#) as one of the best privately-owned businesses in America. The list represents the best of the best of the American entrepreneurial experience. Alongside 359 other businesses, BRIC was evaluated based on impact, innovation, growth and leadership. BRIC is proud to be recognized for the work that they are doing to enhance the language learning industry and help businesses and individuals learn languages that will be valuable in not only their lifestyle, but careers as well.

McMunn says of the achievement, "We are extremely honored to be on this list. It's a credit to the entire team at BRIC Language Systems who work tirelessly on behalf of our clients to ensure the very best possible learning experiences. Special thanks to Kassey Wong, Archer Liu, Lidi Albuquerque, Wanghui, and the entire BRIC Language Team."

About BRIC Language Systems: BRIC Language Systems is an online language training company based in New York City, NY. BRIC specializes in Mandarin Chinese, Brazilian Portuguese, and Spanish language training. The classes are taught by native speakers of each language who live in China, Brazil and Mexico via online video conferencing.
