

Buster's Brew Releases New Health Product for Pets Just in Time for Valentine's Day - A Nourishing Bone Broth Tea

Pets may now enjoy a very healthy treat in the form of a tea that's made from organic, all-natural ingredients that will improve wellness and happiness.

NEW YORK, NEW YORK, USA, January 25, 2018 /EINPresswire.com/ -- Bone broth is not just good for people; it's the perfect drink for dogs and cats as well. It has dozens of proven benefits, including the ability to heal the gut lining, strengthen the immune system, improve joint health, reduce inflammation, and minimize allergies, just to name a few.

Buster's Brew Bone Broth Tea for Pets

Buster's Brew Bone Broth Tea blend for pets is prepared with all-natural, organic ingredients: Toasted, gluten-free pearl barley, dehydrated beef and chicken bone broth, liver powder, ground sweet potato, zucchini, turmeric, and a dash of pet-safe herbs.

The tea may be easily brewed at home using any diffuser and a small order of it (\$11.95) will make up to 25 servings. Dogs and cats love the taste and pet owners and veterinarians are now starting to take notice because of the health benefits. The tea contains no additives or preservatives, it's 100% organic and gluten-free, as well as dairy-free and caffeine-free.

Buster's Brew is both a pet treat and a healthy pet drink. Being both things at once is what makes it so versatile for today's families with pets. Dogs and cats love the taste of the bone broth, but they also get so many good things from drinking it regularly. Most pet treats are solid treats and many of those can be hard on a pet's tummy. Buster's Brew had the idea to create a liquid that is full of good, helpful ingredients for dogs and cats while avoiding the issues that can come with digesting solid foods and grains.

Buster's Brew is made in Canada from North American ingredients and ships its products worldwide.

For a limited time leading up to Valentine's Day, interested pet owners may use the discount code "FURBALL" to get 25% off their first order of Buster's Brew Bone Broth Pet Tea.
