

# Creative Electron Announces Industry Leading Three Year Warranty

---

*Creative Electron launches a new three year warranty across innovative Truview product line.*

SAN MARCOS, CALIFORNIA, UNITED STATES, January 25, 2018 /EINPresswire.com/ -- Creative Electron, the leading American manufacturer of x-ray inspection systems announced today an industry leading three-year warranty for all new TruView™ X-Ray systems sold and installed in the US. A first in the x-ray industry, the three-year warranty is a testament to the quality of the products designed and manufactured by Creative Electron at its headquarters in San Marcos, CA.

“Each one of our TruView X-Ray systems is carefully designed and built with quality in mind. This three-year warranty is a reflection of our team’s dedication to building the best x-ray systems in the market,” said Griffin Lemaster, Creative Electron’s VP of Engineering. “We work extremely hard to give our customers the peace of mind they deserve when buying one of our x-ray systems.”

The three-year warranty is available through the whole TruView X-Ray product line. These systems are on display at Creative Electron’s Advanced Applications Lab in San Marcos, CA. Customers are also welcomed to send samples for a complete x-ray inspection report. The comprehensive sample report can be reviewed live at your facility or via video conference in the comfort of your desk.

About Creative Electron:

Creative Electron is the largest US manufacturer of x-ray inspection systems for electronics. Based in California, the company designs and manufactures the award winning TruView™ X-Ray family of products. Powered by proprietary algorithms and state of the art hardware, TruView™ enables you to rethink x-ray inspection.
