

eQuine Holdings reports record revenue growth and an average return of 83.56% for fiscal year 2017

The Company added nine new Single-Family Offices to its Multi-Family Office and increased risk on trades to \$106 Million.

DALLAS, TEXAS, USA, January 26, 2018 /EINPresswire.com/ -- [eQuine](#) Holdings, LLC is pleased to report its 2017 (un-audited) returns of [83.56%](#), in line with previous years' returns in the equities, options markets and PE investments. The addition of four Legacy Single-Family Offices in Q4 muted the overall performance, after exceeding 100% during Q3 2017.

The company maintained an approximate 10% cash position throughout 2017 with risk on exposure for a majority of the fiscal year with approximately \$106 Million in risk on (long) trades during the same period. The company also reported a growth rate of 6X YOY and added an additional nine Single-Family Offices (SFO) to eQuine's Multi-Family Office (MFO).

eQuine's top trades for 2017 included: Roku (ROKU), Forterra (FRTA), Endocyte (ECYT), Dynegy (DYN), Amplify Brands (BETR), Cenovus (CVE), Nutanix (NTNX), Bristol Myers (BMY), Mosaic (MOS), GoGo (GOGO) and Helios (HMNY).

eQuine's bottom trades for 2017 included: Lending Club (LC), Rite Aid (RAD), Tahoe (TAHO), The Tile Shop (TTS) and Tesla (TSLA).

Managing Director & CEO, Brent Atwood, stated, "Our results were mixed this year as we made some changes to our various FP&A models, however we still performed well above other Multi-Family Offices (MFO) as a percentage of overall returns."

The company increased its Private Equity investment in [Nutritional Delivery Systems](#) ([www.curcuminpro.com](#)) and made no additional PE investments in 2017. Additionally, the company began acquiring "alternative assets" inclusive of real-estate, physical precious metals, and rare numismatics.

2017 Highlights:

The addition of board member Robert Caltabiano former S.A.I.C. of the U.S. Secret Service for International and Domestic Security advisement.

The addition of Gruber Hail Johansen and Shank as additional legal advisors.

The addition of Lipscomb Insurance Group as additional Insurance Product advisors.

The addition of a Preferred Employer membership with Club Corp (CCR) for eQuine's MFO.

About eQuine Holdings:

eQuine deploys a strategy that algorithmically detects anomalies created by illegal abusive naked short selling and illegal use of deep in the money calls used to reset Reg SHO buy-in requirements, and position trades directly against the illegal activities of abusive naked short sellers.
