

Untapped Top 30 Social Entrepreneur Award Winners Announced

Untapped Shores International announces the selection of the "Untapped Top 30 Social Entrepreneurs" Award winners live during their annual summit.

ROCHESTER, NY, USA, January 27, 2018 /EINPresswire.com/ -- Untapped Shores International announces the selection of the "Untapped Top 30 Social Entrepreneurs" which honors 30 of the top pro-social digital marketing professionals in the world.

The Class of 2017 winners will be recognized at the 2018 Untapped Marketing Secrets Summit, taking place January 25-27.

Candidates are distinguished by professional achievements, industry leadership, and charitable service endeavors, and were selected by a group of experienced professionals from Untapped Shores International's current leadership.

"We realize the importance of infusing service and a spirit of giving back into every business model," said Untapped Shores CEO Patrick Shores. Executive Director Elizabeth Schirmer Shores added, "Our continued success as one of the world's leading safe water social enterprise charities depends in part on our ability to identify and promote future leaders in the digital business arena."

These honorees were chosen from small and medium-size businesses that they founded or co-founded from every region of the country, and represent diverse industry areas such as marketing, advertising, consulting, lead generation, branding, finance, and

###

Untapped Shores International is a 501(c)(3) social enterprise that exists to bring novel clean water technology to the most vulnerable populations and disaster relief zones around the world. Their flagship technology is a handheld device which is compact enough to fit in a child's hand and is powered simply by sunlight and salt water. This portable equipment is deployed as a "water business-in-a-box" with entrepreneurs in developing areas, and can create clean water for up to 2,000

people per day. Untapped Shores is empowering women, orphans, and rural villagers to sustainably impact their community health outlook in as little as one day. For additional information, visit <https://untappedshores.org>.
