

Sin City Smash Opens Their First Rage Room In Las Vegas

Providing a safe & fun environment for people to take out their frustrations

LAS VEGAS, NEVADA, UNITED STATES, January 28, 2018 /EINPresswire.com/ -- Sin City Smash, a recreational [rage room](#) facility in Las Vegas announces their grand opening on February 9th, 2018. The new [Las Vegas attraction](#) is dedicated to offering destruction therapy to the masses. Sin City Smash is also offering a grand opening 2 for 1 special. For \$25, two people have 10 glorious minutes to destroy everything they can in a room for stress relief. Original price is \$25 per person. Promotion ends Feb 28, 2018.

There's an abundance of common objects customers can break such as TV's, computers, tables, dishes, and anything else you can imagine!

Customers can even bring their own items to break. Each rage room experience takes place in real-life mocked rooms that can simulate an actual workplace, living area or kitchen. People can physically act out on their daily emotions and stress without worrying about the mess. Sin City Smash takes care of everything! Simply stop by, gear up, choose a few inanimate objects and start smashing away with their indestructible bats, sledgehammers or selection of weapons.

“

I just destroyed an entire room full of stuff! It was a great stress relief and therapeutic experience. I highly recommend people add Sin City Smash on their list of things to do in Las Vegas!”

Nicholas Sakha, Insurance Agent & Sin City Smash Customer

“I just destroyed an entire room full of stuff! It was a great stress relief and therapeutic experience. As an insurance agent life can be stressful! But this experience helped me release all the tension and frustration from the week in a fun environment. I highly recommend people add Sin City Smash on their list of [things to do in Las Vegas!](#)” ~ Nicholas Sakha, Allstate Insurance Agent & Sin City Smash customer.

Destruction Therapy or “Destructotherapy” was founded in Spain and is quickly becoming a leading solution for stress relief. According to the Psychological Association (APA) chronic stress is linked to the six leading causes of death: heart disease, cancer, lung ailments, accidents, cirrhosis of the liver and suicide. By providing a safe and supervised environment for people to smash objects, patrons leave in a happier mood, which can lead to more productive and positive lifestyles. In recent years, destruction therapy
