

Linda Donnelly, CEO of Business Solutions Marketing Group and ForLawFirmsOnly.NET announces launch of Review program!

Did you know how important are customer reviews to potential customers? Very important, as it turns out.

MECHANICSBURG, PA, USA, January 29, 2018 /EINPresswire.com/ -- Linda Donnelly, President and CEO of Business Solutions Marketing Group, LLC and ForLawFirmsOnly.NET announces an updated version of The Review Builder program which can help any type of business get more [reviews online](#). Business owners can definitely see the value in having a strong online reputation, not only by increasing the number of customers they are attracting but the action that these customers take.

"72% of consumers will take action after reading a positive review – YOUR business needs a positive review score now" says Linda Donnelly, President and CEO of Business Solutions Marketing Group, LLC and ForLawFirmsOnly.NET

Business Solutions Marketing Group, LLC and ForLawFirmsOnly.net is now offering a 15 day FREE trial of our Review Builder program and there are absolutely no set up fees if you decide to try the Review Builder program. We offer both a text message and email approach to getting more reviews. The fact is, 90% of consumers read online reviews before visiting a business. 88% of consumers trust online reviews as much as personal recommendations. Here are just a few reasons why you might want to think about our Review Builder program and generate more reviews for your business today.

1. Build a reputation on the review sites that matter most to your business. ([Google](#), YELP, Facebook and more)
2. Improve local SEO to more easily get found. We have found that many business owners have no idea what their google business page looks like.
3. Gain insights to improve business operations, knowing what your customers think about your business has never been more important.
4. Manage, report on, and track all of your reviews with daily or monthly reports and Review Builder portal.

You may not realize it but Google Reviews Have a Huge Impact on Your Business. While both are important for small businesses, studies say Google is more important for reviews than Yelp. Google is the biggest search engine in the world (accounting for around 64 percent of all searches worldwide) and when potential customers search Google for local businesses, reviews and star ratings show up. Google was also found to be the most important review site for purchase decisions, and consumers are 38 percent more likely to visit and 29 percent more likely to consider buying from a business with a complete Google My Business page.

Isn't it time to boost your online reputation? To have a fighting chance in today's digital world, your business needs to be consistently getting new reviews. For More information about our Review Builder program call (800) 322-1339 or email Info@BSMGFLFO.com. Visit us on the web at
