

Team Building Company HTC EVENTS Launches Operations in New York City

NEW YORK, NEW YORK, U.S.A., January 29, 2018 /EINPresswire.com/ -- Team building company HTC Events is pleased to announce that it has now launched operations in New York City. The company is well-established in a variety of locations across Europe, and offers a variety of popular activities, such as indoor and outdoor training, music and art workshops, high-end city scavenger hunts, corporate club management, and lawn games.

Team building activities have a number of benefits in the workplace. They are known to improve productivity, increase motivation, and foster creativity. But according to HTC Events spokesperson Asli Halic, activities need to be organized and conducted by professionals:

“Team building can be full of growth and enjoyment, however, you need an expert in order to achieve corporate and life goals,” says Halic. “Whether your company wants to reconnect with employees and their personal aspirations or simply motivate teams to increase performance, the right event partner will make things much smoother and easier along the way. And that’s where we come in!”

Using the company’s proven solutions, HTC EVENTS creates custom packages that suit any organization’s needs. Ranging from ice-breaking activities to scavenger hunts inspired by ancient cryptology, the company provides groundbreaking team bonding experiences.

About HTC Events:

Founded in 2004, HTC EVENTS has managed 250+ events per year all over the world for more than 600 international companies. Starting in 2018, the company has also begun operations in New York City, in order to redefine the American team building landscape.

Free consultation and site inspection meetings are the key strengths of HTC EVENTS. To find out which event best suits your corporate goals and get a free quote, invite expert team members or simply use their event order forms on their websites: www.htcevents.us and

Team building can be full of growth and enjoyment, however, you need an expert in order to achieve corporate and life goals.”
