

TalkPanda App Reaches 20 Thousand Installations in its 2nd Month of Launch

The International Calling App has gained a significant user base in 40+ countries within 2 months of its launch.

BUTIK, SINGAPORE, SINGAPORE, January 30, 2018 /EINPresswire.com/ -- TalkPanda, the international calling app, has received rapid user adoption within the 2nd month of its launch. The app, which allows users to earn free credits and use the same to make international calls and mobile recharge, has already been downloaded by 20 thousand people in 40+ countries.

Users can earn credits via several means such as Watching Videos, Completing in-app offers, Daily Check-in, and answering Surveys and Referring friends to download the app. In case of friend referrals, both the referrer and the person using the referral code are benefited in terms of bonus credits.

TalkPanda has been launched by Ajura Pte. Ltd., a Singapore based mobile app developer. Commenting on this user adaption, CEO of Ajura, Mr. Sanjit Chatterjee said, "We are pleasantly surprised to get 20k customers in the 2nd month of launch. We have seen high stickiness & user engagement with the app with more than 20% of user base using it daily."

“
