

Global Essential Oil Market is Expected to Reach \$12.85 billion by 2023

Global Essential Oil Market Research Report

RAIPUR, INDIA, January 30, 2018
/EINPresswire.com/ --

Report Sellers has added a new market research report "[Essential Oil - Global Market Outlook \(2017-23\)](#)" to its offerings.

According to Report, the [Global Essential Oil Market](#) is accounted for \$5.91 billion in 2016 and is expected to reach \$12.85 billion by 2023 growing at a CAGR of

11.7% during the forecast period. Increasing preference for natural products and rising disposable income are some of the key factors favouring the market growth. However, lack of awareness and high price of essential oils are hampering the market. Favourable government policies and increasing demand from developing nations provides ample of opportunities for the market growth.

Essential oils (EOs) are special natural plant products with different biological properties. Essential oil represents a major group of agro-based industrial products and they have various types of applications such as food products, drinks, perfumes, pharmaceuticals and cosmetics.

Orange essential oil has a rich, citrus aroma that calms and relaxes the body and uplifts the mind. This oil may also support normal cellular function. Orange essential oil covers the naturally occurring constituent limonene, and is a wonderful addition to improve the flavor of many foods and drinks.

Europe is anticipated to account for the biggest market share attribute to the huge demand for food & beverages and natural personal care products in the region. Asia Pacific is expected to grow at the highest CAGR during the forecast period due to the growing awareness about essential oils.

Some of the key players in Essential Oil market include Symrise, Givaudan SA, Koninklijke DSM N.V., Cargill, International Flavors & Fragrances Inc., Young Living Essential Oils, E. I. Du Pont De Nemours and Company, The Lebermuth Company, Inc., D terra International LLC., Mane, Rocky Mountain Oils LLC., Firmenich Sam, Frutarom Industries Ltd., Robertet SA and Sensient Technologies Corporation.
