

Peter Lowen Announces Launch of Free Instagram Mastery Training Course

PERTH, AUSTRALIA, January 30, 2018 /EINPresswire.com/ -- Peter Lowen, entrepreneur, website developer and author, is pleased to announce the launch of his new Instagram Mastery Training Course. Appropriately named "Instafamous," the course is completely free and requires no opt-in.

"Many people aren't too sure about Instagram," says Lowen. "It's certainly not as clear-cut as Facebook, and can be a bit of a stumbling block. But let me tell you, Instagram can be a goldmine...if you know how to use it properly."

Instafamous is readily available on Lowen's website. It includes key techniques on how to setup an Instagram account, grow an audience, setup squeeze pages, collect email addresses in an autoresponder, and develop relationships.

"It's the way to become Instafamous in your niche," jokes Lowen. "It's by no means an instant push-button fix, and you'll need to put in some time and effort, but it will go a long way in helping clear up any misconceptions you might have about Instagram."

Lowen created the course after following a number of top marketers, taking their courses, and learning as much as he could about Instagram over a 6-month period. He also created 5 Instagram accounts for himself and experimented.

“It ended up costing me thousands of dollars for advertising,” adds Lowen. “But I sure did learn a lot, and that's what I'm

sharing in this course.”

The course is approximately 33 minutes long, and includes bonuses that can be downloaded for free: Instagram Perfect Avatar, Instagram Schedule Planner, Crafting Great Instagram Comments, and an Instagram DM (Direct Messenger) Template.
