

KAJ Brothers Release Nothing but Air – the Third Video from the Chivalry EP

The pop/ballad from the boy band sensation melodically tells a moving story of lost love

ORLANDO, FL, UNITED STATES, January 30, 2018 /EINPresswire.com/ -- The multi-talented [KAJ Brothers](#) have released the third video from their Chivalry EP with today's debut of Nothing but Air on YouTube. The ballad tells the tale of lost love and features the signature harmonies of Kyle Craichy, Austin Craichy and Johnny Atys that have made the band a favorite among those who value strong vocal abilities.

Austin wrote the lyrics that tell the deeply emotional journey of experiencing a breakup. "It's hard to face it anytime things don't work out as planned or when someone you love walks away," he says.

"But that's not the end of the story because better days are ahead and things will work out if we keep moving forward."
