

How Much Does It Cost to Create an App : A GoodFirms Survey

A new survey by GoodFirms to give an informative insight of app development cost and time for the entrepreneurs

WASHINGTON, WASHINGTON DC, USA, January 31, 2018 /EINPresswire.com/ -- Washington, DC, 31 January 2018//EINPresswire.com// -- Have you ever wondered how much an app for iOS or Android cost to develop? Probably each of the entrepreneurs or any individual from across the world keep looking for low prices and high quality apps. Therefore, GoodFirms have surveyed 55+ app development companies to figure out the how much [Mobile App Development Cost](#) to develop apps similar to few famous mobile applications.

According to a research, it is said that in 2017, the global mobile app user penetration has exceeded half the world's population. There is an immense growth of creation and use of mobile apps for many different needs. It is really impossible to find out exactly how many apps are there as every day more and more apps are launched in the market. But as of April 2017 there were nearly 2.9 million apps in Google Play and the Apple's App Store had about 2.3 million.

“

Be well-informed with pricing and timeframe for developing mobile apps”

GoodFirms Research

There are [Top Android App Development Companies](#) and iOS developers, where the business owners choose to

work by investing in apps to engage their customers. But they may have the questions like: How long does it take and how much does it cost to create an app.

However, GoodFirms had performed a survey to review the informative insights to know, what is the app development process time and cost to develop an app? So, the research team of GoodFirms endeavoured to ask the participating Android and iOS app development companies to share the cost estimate and the timeline to develop apps similar to few famous mobile applications like Tinder, Whatsapp, Uber, Periscope and Quiz up.

Most of the mobile development companies took part in this survey from different countries that included: United States of America, Canada, United Kingdom, India and Ukraine.
