FREMONT, CALIFORNIA, UNITED STATES, January 31, 2018 /EINPresswire.com/ -- [Lockdowel](#) will perform live demonstrations of their Visionary Award Winning EClips Drawer Slides and their new screw-less, snap-in EClips Hinges at Woodworking Network's [Wood Pro Expo](#), Booth 317, February 15 and 16 at the Charlotte Convention Center in North Carolina. Lockdowel manufactures snap-in fasteners for closets, cabinets and furniture, and their fastening solutions remove the need for glue, screws or tools to install.

Lockdowel EClips Drawer Slides have been named to Woodworking Network's "Most Innovative Top 10 Products of 2017." According to Editor Will Sampson:

Lockdowel won a Visionary Award in the Hardware category for its snap-on drawer slides. Designed to significantly reduce cabinet drawer installation time and costs, the slides feature the company's E-clips fastening technology, allowing users to quickly and easily install drawer slides for complete tool-less installation. <https://www.woodworkingnetwork.com/technology/editors-picks-2017-top-products-show-innovation>

"Lockdowel drawer slides take all the work out of installing glides," [Ultimate Cabinet Components](#) Owner Jeff Finney says. "We cut our time by 70% using EClips drawer glides over conventional methods. You just drop it in, slide it and it's locked in. Crazy easy, crazy fast!"

"Our EClips drawer slide fasteners and hinges have brought a brand new, time-saving, solution to carpenters and cabinet makers," Bryan Koelling President of Lockdowel says. "These are screw-less and snap-on in seconds! This saves installers hours of screwing and drilling, while saving cabinet shop owners hours of labor costs."

Registration is now open for Wood Pro Expo, Charlotte at the Charlotte Convention Center February 14-16. The event will feature industry education, an exhibit hall with operating machinery, leading
