

How to Sell Your Home Yourself

ROSEMEAD, CALIFORNIA, USA, January 31, 2018 /EINPresswire.com/ -- If you've tried to sell your home yourself, you know that the minute you put "For Sale by Owner" sign up, the phone will start ring off the hook. Unfortunately, most calls aren't from prospective buyers, but instead from area realtors who will try to talk you out of your plan. Without even understanding your specific circumstances, these realtors will tell you that you'll never succeed in profitability selling your home by yourself and offer to help you themselves. According to area realtor Rudy L. Kusuma, however, the local homeowner shouldn't give up that easily.

Rudy L. Kusuma admits that without the proper information, selling a home isn't easy. "But every situation is different," he says, "A lot depends on location, price, terms of sale, the condition of the home. What's the market like? Are homes selling quickly or sitting for months? All these factors and more situation to sell your own home is to do some research. "There's an excellent free report called "Sell Your Own Home" that area residents can get a copy of which helps them to explore the issues and determine if they're likely to profit more by selling without an agent," he says. "The report identifies 10 inside tips to selling your home by yourself which will help you sell for the best price in the shortest amount of time"
