

Natchitoches Regional Medical Center Named 2018 100 SafeCare hospitals®

Recognized for low infections, low readmissions, low complications by The SafeCare Group®

LEXINGTON, KENTUCKY, USA, February 1, 2018 /EINPresswire.com/ -- [Natchitoches Regional Medical Center](#) was recognized as a 2018 [100 SafeCare Hospitals®](#) by [The SafeCare Group®](#) for low infections, low readmissions, low complications.

100 SafeCare Hospitals® represent the nation's top performing hospitals in evidence-based metrics of Medical and Surgical Infections, 30-Day Mortality rates, Complications rates for Medical and Surgical Care, Patient Satisfaction, 30-Day Medical and Surgical Readmissions, and overall value.

100 SafeCare Hospitals have achieved an exemplary level of performance in the comprehensive, evidence-based metrics of the Centers of Medicare and Medicaid (CMS) value-based program (HVPB), readmissions reduction program (HRRP), and acquired complications reduction program (HACRP). Hospitals that perform poorly on these quality, safety, and efficiency metrics receive a financial penalty from the government. Only about two percent of US hospitals earn the prestigious 100 SafeCare Hospitals® distinction, and the top 50 hospitals represent the top one percent of our hospitals.

“

Congratulations to Natchitoches Regional Medical Center on achieving 100 SafeCare Hospitals”
*Yisrael Safeek, MD, MBA,
CEO, The SafeCare Group*

“While all US hospitals achieving improvements deserve recognition,” says Dr. Yisrael Safeek, MD, MBA, Chairman and CEO of The SafeCare Group®, “those achieving 100 SafeCare Hospitals distinction are leading the way. Congratulations to Natchitoches Regional Medical Center on achieving 100 SafeCare Hospitals.”

About 100 SafeCare Hospitals®

The SafeCare Group® published the first 100 SafeCare Hospitals® listing in 2013 with the mission of “Recognizing Healthcare Excellence”. 100 SafeCare Hospitals recognize hospitals that excel in evidence-based areas of medical and surgical infections, medical and surgical complications, medical and surgical readmissions. The top 50 hospitals represent the top 1% of our hospitals, and only about two percent of US hospitals earn the prestigious 100 SafeCare Hospitals® distinction. Hospitals that performed poorly on these evidence-based metrics receive a financial penalty from the Centers of Medicare and Medicaid Services. The

SafeCare Group believes that the 100 SafeCare Hospitals listings would incentivize hospital leadership to improve care and reduce unnecessary errors that harm patients.

About the SafeCare Group

The SafeCare Group was founded in 2010 and is a privately held company with the motto Softwaring Healthcare Excellence®. The SafeCare Group software solutions enable hospitals to take advantage of disruptive healthcare technologies that optimize hospital reimbursement and accreditation.
