[Chocolate Beer Market 2018](#)

Chocolate beer is a beer that contains dark chocolate or cocoa. The most popular segments of chocolate beer are chocolate ale, chocolate stouts, and chocolate lager. Chocolate beer is more popular in the European and American countries. The growth of the chocolate beer market in these regions is mostly triggered by the increasing demand by the millennial population. The chocolate beer market is still in its nascent stage in APAC. Chocolate beer is slowly becoming popular among consumers in countries such as China and India and offers huge growth potential for players in the global chocolate beer market. The pubs and bars in India have begun offering chocolate beer to their consumers. The increasing number of craft breweries globally is another factor which will help the market grow during the forecast period.

The analysts forecast the global chocolate beer market to grow at a CAGR of 11.58% during the period 2017-2021.
