DENVER, COLORADO, UNITED STATES, February 1, 2018 /EINPresswire.com/ -- The just launched www.rentingstreet.com is a unique site where anyone can earn quick cash. Developed by [Renting Street](#) Inc. the site give offers free listing opportunity of any item that you may wish to rent out or even sell. It is the perfect way to unlock investment in items that are lying unused. Those that wish to hire or buy items at cheap rates can easily find them on the website.

The site has already recorded the registration of one hundred users soon after its launching. The best part of the services is that each user gets an instant free credit of \$100 in their accounts for ad listing.

The Renting Street website has a smart look to it with easy to use functional features. Both net-savvy people, as well as newbies, will have no trouble in browsing through the site and posting their items or finding what they are looking for. There are several categories and their respective sub-categories that help in listing items. Those looking to hire them will find it easy to look them up at Renting Street.

There is no restriction as to who can use the site. Individuals like students, homemakers, professional people or those in business, all can list whatever they want to.

"With the passage of time, we tend to collect numerous items with us all of which we do not use. The result is a cluttered living and locked up investments. It is the perfect opportunity for those that are perpetually cash-strapped like students to rent out and get some quick cash. Homemakers can free space at home and make some extra money. Professionals can list their exclusive services and get more exposure while business people can make more profits. Our website www.rentingstreet.com is the perfect platform for all to earn money," said the CEO of the company.

The company is also coming up with a powerful mobile app within a month. The Renting Street App is being developed keeping in mind that it complements the website and ensure helping people clinch deals even when on the move. Compatible with Android and iOS, the app will have all the features for easy browsing, listing and finding items. For a buyer or someone that wishes to sell or hire something during the holidays, Renting Street has made life that much easier and convenient.
