

# California Mesothelioma Victims Center Urges a Public Utility Worker with Mesothelioma in California to Call for On the Spot Access to the Nation's Top Lawyers for Much Better Financial Compensation

NEW YORK, NEW YORK, USA,  
February 20, 2018 /EINPresswire.com/ --

The California Mesothelioma Compensation Center is urging a person who has recently been diagnosed with mesothelioma because of asbestos exposure while working at a public utility, an oil refinery, any kind of power plant, or at a chemical plant in California to call them anytime at 800-714-0303. The group's sense of urgency is they do not want one person with mesothelioma in California to get shortchanged because they did not have the nation's most skilled mesothelioma lawyers representing them with their compensation claim.

<http://California.MesotheliomaVictimsCenter.Com>

The group says, "A person in California with confirmed mesothelioma who was exposed to asbestos at a workplace such as a power plant, an oil refinery or a public utility could receive a financial compensation settlement well over a million dollars. However, as we would like to explain anytime at 800-714-0303 there is a catch. If a person with mesothelioma in California wants to receive the very best possible financial compensation results they will need to be represented by some of the nation's most skilled and experienced mesothelioma attorneys.

"What most people with mesothelioma, or their family members do not realize is there are probably a dozen law firms in the nation that only do mesothelioma compensation claims on a full time basis, and

of this group we would strongly recommend about half.

"Our number one passion is seeing to it that a person who has been diagnosed with mesothelioma in California receives the best very possible compensation and with one call to us anytime at 800-714-0303 we will do everything possible to see to it you have direct access to some of the nation's most capable mesothelioma typically within twenty or thirty minutes. Please don't make to horrible mistake of thinking a local car accident or personal injury law firm can outperform one of the nation's top mesothelioma law firms we suggest."

\* Stanford Cancer Institute Stanford, California: <http://cancer.stanford.edu/>

\* University of California San Francisco, San Francisco, California: <http://mountzion.ucsfmedicalcenter.org/>

The California Mesothelioma Victims Center also wants to emphasize theirs is a statewide unsurpassed service that is available to any diagnosed victim in California including communities such as Los Angeles, San Diego, San Francisco, San Jose, Riverside, Fresno, Sacramento, Oceanside, Palm Springs, Riverside, or Eureka. <http://California.MesotheliomaVictimsCenter.Com>

High risk work groups for exposure to asbestos In California include US Navy Veterans, power plant workers, shipyard workers, oil refinery workers, chemical plant workers, manufacturing workers, plumbers, electricians, auto mechanics, machinists, or construction workers. Typically, the exposure to asbestos occurred in the 1950's, 1960's, 1970's, or 1980's.

According to the CDC the states indicated with the highest incidence of mesothelioma include Maine, Massachusetts, Connecticut, Maryland, New Jersey, Pennsylvania, Ohio, West Virginia, Virginia,

Michigan, Illinois, Minnesota, Louisiana, Washington, and Oregon. However, mesothelioma does happen to hundreds of people each year in California.

The Mesothelioma Victims Center is a national advocate 100% focused in on doing everything possible to ensure people with mesothelioma in every state receive the best possible financial compensation settlement. The group offers on the spot access to some of the nation's most skilled and experienced mesothelioma attorneys because to receive the very best possible financial compensation a diagnosed person must be represented by the most capable mesothelioma lawyers in the United States as they would like to discuss anytime at 800-714-0303. <http://MesotheliomaVictimsCenter.Com>
