About Ethiopian

Ethiopian Airlines (Ethiopian) is the fastest growing Airline in Africa. In its seventy plus years of operation, Ethiopian has become one of the continent's leading carriers, unrivalled in efficiency and operational success.

Ethiopian commands the lion's share of the pan-African passenger and cargo network operating the youngest and most modern fleet to more than 100 international passenger and cargo destinations across five continents. Ethiopian fleet includes ultra-modern and environmentally friendly aircraft such as Airbus A350, Boeing 787, Boeing 777-300ER, Boeing 777-200LR, Boeing 777-200 Freighter, Bombardier Q-400 double cabin with an average fleet age of five years. In fact, Ethiopian is the first airline in Africa to own and operate these aircraft.

Ethiopian is currently implementing a 15-year strategic plan called Vision 2025 that will see it become the leading aviation group in Africa with seven business centers: Ethiopian Express & Ancillary Services; Ethiopian International Services; Ethiopian Cargo & Logistics Services; Ethiopian MRO Services; Ethiopian Aviation Academy; ET In-flight Catering; and Ethiopian Ground Services. Ethiopian is a multi-award winning airline registering an average growth of 25% in the past seven years.
