Independent Survey Shows Franchise Owners Are Highly Satisfied with Image One's Performance

ROLLING MEADOWS, IL, UNITED STATES, February 5, 2018 /EINPresswire.com/ -- National commercial cleaning franchise Image One Facility Solutions was recently named a top franchise for 2018 by Franchise Business Review. This is the third consecutive year Image One has been recognized in the 13th annual ranking of the top award-winning franchise opportunities.

Franchise Business Review, a franchise market research firm that performs independent surveys of franchisee satisfaction, provides the only rankings and awards for franchise companies based solely on actual franchisee satisfaction and performance. Franchise Business Review publishes its rankings of the top 200 franchises in its annual Guide to Today's Top Franchises.

“

We continue to work toward providing more and more people the opportunity to be entrepreneurs.”

Tim Conn, President of Image One

“It's gratifying to see all the hard work and effort we put into providing franchise owners with a rewarding business experience translate into continued recognition as a top franchise,” said President and Co-Founder Tim Conn. “We're especially grateful for some of the high marks we received from franchisees for our core values and the satisfaction they receive as small business owners. We continue to work toward providing more and more people the opportunity to be entrepreneurs through our commercial cleaning franchise.”

Ranked a top 50 franchise in its category, Image One was among hundreds of franchise brands, representing over 28,000 franchise owners, that participated in Franchise Business Review's research. Image One franchisees were surveyed on 33 benchmark questions about their experience and satisfaction regarding critical areas of their franchise systems, including training & support, operations, franchisor/franchisee relations, and financial opportunity. Across all major categories, Image One received high quality ratings from its franchise owners.

Image One's survey data concluded that Image One is “Among the Best” franchises available in the market, making Franchise Business Review's list of top franchises. Image One received the highest marks in the categories of “Self-Evaluation” – which measures how satisfied franchise owners are with owning and operating an Image One location – and in “Core Values”, meaning franchisees have

a high level of trust and respect for their franchise system.

“There are thousands of successful franchise companies operating in North America, but many of those companies do not offer a solid investment opportunity for the actual franchise owners,” says Eric Stites, CEO of Franchise Business Review. “As an independent research firm, we rate the franchise companies in the marketplace today and identify those that have the highest levels of satisfaction and performance among their franchisees in order to help entrepreneurs when choosing which franchise to invest in. The companies on this year’s list are the top performing brands in the areas critical to their franchisees’ success.”
