

Keolis Canada's Skyport Selects Betterez as Next Generation Reservations & Ticketing Management (RTM) Platform

Skyport gets up and running with Betterez travel and reservation technology solution in just three weeks

TORONTO, ON, CANADA, February 6, 2018 /EINPresswire.com/ -- [Betterez](#), a Reservations & Ticketing Management (RTM) technology provider, today announces that Keolis Canada's [Skyport](#) service recently selected and deployed Betterez's bus and motorcoach solution as its end-to-end bus ticketing platform.

A brand that was recently acquired by Keolis Canada in early 2017, Skyport was looking for a flexible reservation and ticketing platform to support its current business and future growth objectives.

“

Working closely with the Betterez team, Skyport was able to get up and running in just three weeks and is now quickly taking advantage of its improved reservations and ticketing solution.”

Betterez*

“Skyport is a popular bus operator that provides a variety of passenger services in Eastern Canada – it was looking for a robust solution that could meet its ongoing reservations and ticketing needs as well as its needs for the busy holiday season,” says Tal Shalit, founder & CEO, Betterez. “Working closely with the Betterez team, Skyport was able to get up and running in just three weeks and is now quickly taking advantage of its improved reservations and ticketing solution.”

Betterez is passionate about helping bus, ground travel and tour operators sell more and sell more easily and is pleased to be working with Skyport to help transform its ticketing operations.

“Betterez was able to get its ticketing platform deployed on our system in just a few weeks and we are pleased with how this transformative solution is positively impacting our business,” says Marie Helene Cloutier, Vice-President, Passenger Experience, Marketing & Sales, Keolis Canada.

About Betterez

Betterez, founded in 2011, is a next generation Reservations & Ticketing Management (RTM) technology company focused on helping motorcoach, tour and multi-use ticketing operators grow their businesses, and run operations and finance more efficiently. For more information, visit:
