

# Lockdowel Partners with Handibot Smart Power Tool at the Charles McMurray Bay Area Hardware Shows February 7 and 8

*The Handibot Smart Power Tool provides smaller shops with the ability to use Lockdowel glue-less, tool-less fasteners*

SAN JOSE, CALIFORNIA, USA, February 6, 2018 /EINPresswire.com/ -- [Lockdowel](#) will use a [Handibot®](#) Smart Power Tool portable CNC to cut panels and drill insertion holes to demonstrate their tool-less, glue-less fasteners at the [Charles McMurray](#) Bay Area Hardware Shows February 7 and 8. At the completion of the second show day, a Handibot Smart Power Tool Adventure Edition will be raffled to those who have entered either location during the show days. The winner does not need to be present to win.

The shows take place at the following locations and times:

• Wednesday, February 7

“

The Handibot allows small, even one-person shops, to build cabinets and furniture with screwless, snap-in Lockdowel fastening.”

*Bryan Koelling, Lockdowel  
President*

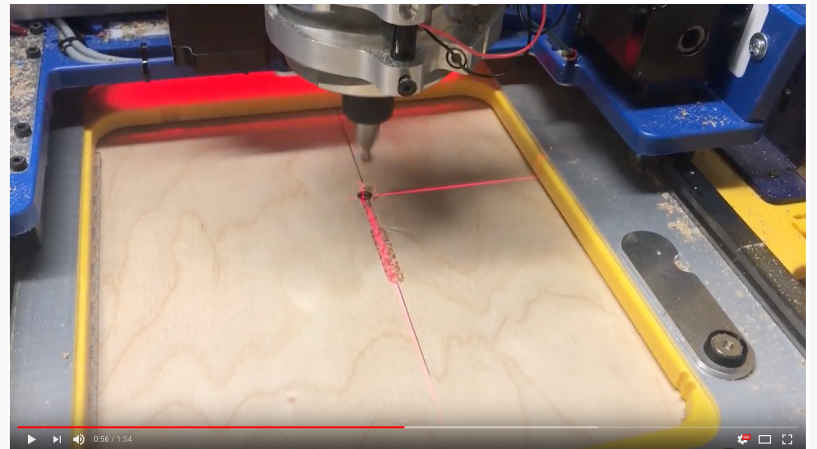

Walnut Creek Marriott Ballroom  
2355 North Main Street, Walnut Creek, CA 94596  
3 PM to 7 PM

• Thursday, February 8

Napredak Hall 770 Montague Expressway, San Jose, CA 95131  
3 PM to 7 PM

The Lockdowel EClips fastener system gives cabinet, closet, and furniture manufacturers the ability to increase throughput and increase quality, while reducing labor. The Lockdowel

system allows woodwork to snap-assemble without screws, glue or tools.

Handibot, the portable CNC, cutting Lockdowel insertion holes.

The Handibot Smart Power Tool Adventure Edition by ShopBot® is the innovative, truly portable CNC that runs from any WiFi-enabled device. It performs precise and easily repeatable cutting, carving, machining, and milling operations. It works with wood, MDF, plastics, foams, and non-ferrous metals like aluminum. It retails for approximately \$3,000 via the Handibot website ([www.handibot.com](http://www.handibot.com)).

“The Handibot allows small, even one-person shops, to build cabinets and furniture with snap-in Lockdowel fastening,” Lockdowel President Bryan Koelling says. “Now you can work almost anywhere because the Handibot has a working footprint of just 21” x 24” x 14” and weighs just 45 pounds!” The Charles McMurray Bay Area Hardware shows will offer entertainment, door prizes, food, and

demos from more than 30 manufacturers. For more information please call: Charles McMurray Company, 800-533-0533.
