

# A second chance: Bitcoiin B2G announces ICO

*Organizers' vision for the second generation of cryptocurrency is to build a more-complete coin, in all facets of the cryptocurrency space.*

HONG KONG, CHINA, February 7, 2018 /EINPresswire.com/ -- [Bitcoiin.com](http://Bitcoiin.com) is excited to announce its forthcoming Initial Coin Offering, for second-generation blockchain-based [BITCOIIN \(B2G\)](http://Bitcoiin.com). Based on second-generation blockchain technology, B2G offers an opportunity not seen since the original bitcoin offering in 2009 – a fresh chance to catch the wave, a chance for ordinary people around the world to participate in an Initial Coin Offering, with a modest investment and the possibility of excellent, maybe even fabulous returns.

Bitcoiin B2G announces ICO

Organizers' vision for the second generation of cryptocurrency is to build a more-complete coin, in all facets of the cryptocurrency space. This provides savvy investors, start-up specialists, and ordinary people the chance to purchase and stake, or share the rewards of mining, or trading cryptocurrency on an integrated platform, in a secure financial ecosystem.

Bitcoiin second-generation cryptocurrency offers the following improvements:

- Faster transactions: eliminates long time lags before transactions are processed and confirmed
- Safer transactions: Bitcoiin B2G's Ethereum-based blockchain technology incorporates the safeguards of good blockchain hashing and processing
- A comprehensive solution: mining, trading, wallets all offered
- Better scaling: With a hard token cap, unit value can increase without dilution
- Mining investments: Backed by Dragon Mining's thousands of mining rigs, mining presents solid opportunity for profit
- A trading platform: allowing all of the ideals of the original bitcoin, while encompassing the demands of a broader, comprehensive marketplace
- An integrated ecosystem

Currently, bitcoiin (B2G) is offering an opportunity to participate in crowdfunding its initial soft-cap \$75,000,000 USD start-up fund. Fund-raising will continue until a hard cap of \$250,000,000 USD is raised. Then the ICO window will close. Fund-raising has already commenced, with at least \$12,000,000 USD already on deposit.

A Unique Opportunity

Cryptocurrency enthusiasts have seldom had such a chance to participate in the exhilarating launch of an integrated cryptocurrency ecosystem, with built-in controls, strong management and explosive upside growth potential.

We announce the second generation. Seldom does life grant a second chance.
