Description

WiseGuyReports.Com adds" Global Craft Spirits Market 2017-2021 "Research To Its Database.

Craft spirits are the products of an independently-owned distillery with maximum annual sales of 52,000 cases, where the products are physically distilled and bottled on-site. Consumers perceive craft spirits to be of a higher quality than mainstream spirits brands. The demand for craft spirits is increasing, and the craft spirit segment is expected to have a significant impact on the overall alcohol sales globally during the forecast period.

Covered in this report

The report covers the present scenario and the growth prospects of the global craft spirits market for 2017-2021. To calculate the market size, the report considers the sale of craft spirit products to individual consumers.
