Description:

[Financial cards in India in 2017](#) registered healthy growth for the year. Growth was primarily driven by the demonetisation move declared by the government of India in November 2016. Demonetisation resulted in all INR500 and INR1,000 notes becoming invalid overnight. The government allowed consumers to exchange all old notes against new ones by 31 December 2016. Due to this 2-month phase, there was an acute shortage of cash in the economy, which resulted in a large number of consumers shifting to...
