

# AutoLoop Teams With Hyundai to Offer the Ultimate Service Lane Solution for the Hyundai Service Lane Technology Program

CLEARWATER, FLORIDA, UNITED STATES, February 9, 2018 /EINPresswire.com/ -- AutoLoop, LLC, the leading provider of automotive dealer service, sales and marketing solutions, announced today that its proprietary service platform is now one of Hyundai's certified Service Lane Technology solutions. By integrating with the AutoLoop system, Hyundai dealers in the United States will be able to modernize the service retail experience to help drive profitability and customer satisfaction.

"Given that 94 percent of customers today say their service experience influences where they will buy their next car, dealers are under more pressure than ever to distinguish themselves from the competition," says AutoLoop CEO Steve Anderson. "Our complete service solution is designed to do just that. It gives businesses a best-in-class scheduling platform, superior service lane management and unsurpassed support at every stage. And dealers can be assured that our tools are fully integrated with all Hyundai-specific parts and opcodes."

Hyundai dealers can now use AutoLoop's platform as an offering under their Service Lane Technology program, which offers end-to-end service solutions. Products including [AutoLoop Book™](#), [SmartLane™](#), [MPI™](#), [Messaging™](#) and [BillPay™](#) will help dealers create an excellent experience throughout the chain of service. In addition, AutoLoop's platform provides quick access to the most up-to-date data, including Blue Link® Telematics, National Call Center appointments, manufacturer recalls, Dealer Tire®, TSD Car Rental, management and reservation, Owner's Portal Single Sign-On and more.

"With its fully integrated and comprehensive functionality, our offering for the Service Lane Technology Solution gives dealers greater control, more customization and better support than any other comparable solution," says Anderson. "Because it was built by dealers for dealers, it naturally offers the most intuitive and easily applicable options, empowering dealers to initiate, manage and report on all aspects of service from start to finish."

To discover how to generate more bookings, optimize the service process and increase overall efficiency with one fully integrated solution certified by the OEM, Hyundai dealers can call 877-850-2010 or visit [AutoLoop.com](#).

## About AutoLoop:

Since 2005, AutoLoop has helped automotive dealerships nationwide increase sales, improve client retention and achieve overall higher customer satisfaction ratings throughout the Sell, Service, Repeat cycle. With the AutoLoop Customer Engagement Suite—an all-encompassing platform that includes everything from CRM and automated messaging to equity mining, service scheduling and more—AutoLoop is the industry's first and only single-vendor, end-to-end marketing and engagement solution. An Inc. 500 company with nearly 50 million names in its database and over a billion individual communications initiated, AutoLoop is passionate about being America's best customer retention partner for progressive dealerships.
