

# Image One Facility Solutions Eyes Phoenix, Scottsdale for Franchise Growth

*Expanding Commercial Cleaning Brand Looking to Expand Across Southwest*

ROLLING MEADOWS, IL, UNITED STATES, February 12, 2018 /EINPresswire.com/ -- Image One Facility Solutions, a top commercial cleaning franchise recognized for owner satisfaction and

affordability, continues its ascent as a service industry franchise. Image One is announcing plans to expand across the Southwest region, targeting the Phoenix and Scottsdale region as a hub for its growth strategy.

Phoenix is a fast growing region with a great opportunity for us to build our commercial cleaning concept.”

*Tim Conn, President of Image One*

The franchise is actively seeking entrepreneurs who are interested in owning a rewarding, always-in-need business model.

“Over the past few years we’ve been able to successfully take our concept from a regional cleaning franchise covering the

Chicago area to a growing national brand, with franchise units across the Midwest, Southeast and parts of the Rocky Mountain region,” said Image One President and Co-Founder Tim Conn. “Phoenix is a fast growing region with a great opportunity for us to build our commercial cleaning concept. It is a logical extension for us and we’re prepared to invest our resources into building the franchise with the right owner-operators in the region.”

Franchising since 2011 and with a corporate headquarters in the Chicago suburbs, Image One launched a new franchise affiliate program in 2015 to further expand the franchise nationwide. Since then, the franchise has added owners in regions across the country, including in Cincinnati, Denver, Detroit, Fort Myers, Nashville and Orlando.

Image One provides necessary training, tools and support to help franchise affiliates build their business, including teaching franchisees the latest cleaning techniques and empowering them with insights on best-in-class equipment and technology. Ongoing training is delivered both at Image One’s corporate headquarters and onsite at existing client locations to ensure that franchisees continue to grow their own businesses.

The cost to open an Image One franchise ranges from \$15,000 to \$50,000 depending on down payment — the company offers an in-house financing option for qualified candidates — along with equipment purchased and other factors. Startup costs are among the most affordable in the franchise industry compared to other service opportunities.
