

Bitcoiin B2G Announces ICO Crowdsale

This offer is strictly limited. The total number of tokens available during this pre-launch period is 50,000,000.

HONG KONG, CHINA, February 12, 2018 /EINPresswire.com/ -- Bitcoiin B2G, www.bitcoiin.com, is proud to announce immediate availability of its [Initial Coin Offering](#) (ICO) crowdsale placement opportunity, on definite terms as follows. This opportunity to deposit USD, Euros, BTC or Ethereum tokens, in exchange for Bitcoiin B2G at the discounted price of \$5.00 USD per token, has opened, effective immediately. This crowdsale is open and will last until March 31, 2018, or until our hard cap of \$250,000,000 USD is reached. After that, this offer will close, and cannot be reopened. Subsequent to the hard cap, the free market will determine valuation of Bitcoiin B2g.

We believe this pre-launch ICO discounted price is extremely attractive, and should receive careful consideration for all aggressive seekers of cryptocurrency opportunities.

This offer is strictly limited. The total number of tokens available during this pre-launch period is 50,000,000. The total supply of Bitcoiin B2G is similarly limited. The total supply of Bitcoiin B2G will not exceed a hard limit of 200,000,000 B2G.

Bitcoiin B2G offers secure technology, with blockchain ledger confirmation implemented through the Ethereum blockchain algorithm. In sum, Bitcoiin B2G offers:

- Safety: Ethereum-based blockchain posting and peer-to-peer transparency;
- Fast transaction execution: transactions processed and confirmed in real-time, where the original bitcoin and numerous other tokens take up to 48 hours to confirm;
- Second-generation technology: Incorporates the safeguards of good 256k blockchain hashing and massively-parallel processing on Dragon Mining purpose-based computer rigs;
- A comprehensive solution: mining pool investments, a trading platform, and hard/soft wallets suitable for staking—all offered
- Better scaling: With a hard token cap, unit value can increase without dilution
- Trading platform: allowing all of the ideals of the original bitcoin, while encompassing the demands of a broader, comprehensive marketplace
- An integrated ecosystem

We think Bitcoiin B2G revives the original ideal of cryptocurrency, true to the pioneers of the crypto macrosystem. Users, once qualified through Know Your Customer (KYC) disclosures on our

comprehensive trading platform, can execute transaction rapidly and with security.

A Unique Opportunity

Cryptocurrency enthusiasts, depositors and adventurers have seldom had such a chance to participate in the exhilarating launch of an integrated cryptocurrency ecosystem, with built-in controls, strong management and explosive upside growth potential.

We announce the second generation of cryptocurrency. Seldom does life grant a second chance.
