

# TruckLogics Services Offered as an Exclusive Feature to Trucker Tax Service

*TruckLogics in collaboration with Trucker Tax Service announced the release of TAP App, a trucking business management and compliance program.*

ROCK HILL, SOUTH CAROLINA, UNITED STATES, February 12, 2018 /EINPresswire.com/ -- ROCK HILL, SC (Feb. 8, 2018) – [SPAN Enterprises](#) – a leading provider of software-based technology solutions – in collaboration with [Trucker Tax Service](#) announced the release of TAP App, a trucking business management and compliance program.

Trucker Tax Service Users Now Enjoy Benefits of Using TruckLogics

TAP App, the Trucker Advantage Program service, was created in response to the growing need for an application based business management and tax compliance solution for the trucking industry. TAP App provides a cost-effective and simplified trucking business management and reporting program, combined with full-service tax preparation to meet the needs of truck drivers.

TAP App gives owner-operators the ability to track detailed bookkeeping records from any mobile or connected device, allowing for simplified year-end tax filing. TAP App combines the market-leading services offered by [TruckLogics](#) and Trucker Tax Service into a single innovative platform that allows truck drivers to quickly check their business activities, such as revenue and expenses, from their mobile device, with the ability to answer tax questions at any time.

This user friendly application will save users time and money while managing financial planning and preparing annual taxes for those in the trucking industry.

“We are extremely proud to provide the benefits of TruckLogics to Trucker Tax Service users. We know that by allowing truckers to access both quality tax preparers and a full-service trucking business management app, that they will be better equipped to grow their businesses,” says TruckLogics product manager, Bryan Hinson.

TruckLogics is a subsidiary of US-based software provider SPAN Enterprises, known for products such as Express Truck Tax, ExpressIFTA, and Truck Services of North America.
