Bitcoiin B2G has announced its Initial Coin Offering will launch official in late March, but fund-raising has already begun. The start-up soft-cap is set in initial disclosure documents at \$75,000,000.00. The launch window, including preferential exchange prices for USD, Euro and bitcoin (BTC) deposits, will close when Bitcoiin B2G's hard cap of \$250, 000,000.00 is reached. After that, markets will set B2G's value.

Bitcoiin B2G has developed a new, second-generation comprehensive ecosystem for cryptocurrency trading, including a mining operation permitting separate investments in cryptocurrency mining. Those depositors seeking to diversify their participation can choose between wallet-based buy-and-hold; mining; and trading. From its dashboard, Bitcoiin B2G will offer users direct pipelines to all three core cryptocurrency operations.

A Unique Opportunity

Cryptocurrency enthusiasts have seldom had such a chance to participate in the exhilarating launch

of an integrated cryptocurrency ecosystem, with built-in controls, strong management and explosive upside growth potential. B2G is delighted to announce the participation of Steven Seagal in this new opportunity.

We announce the second generation of cryptocurrency. Seldom does life grant a second chance.
