

Discover the Benefits of Mercury Insurance Company's New Program

autopom!'s team of authorized Mercury agents can help cover drivers' auto repair costs with a Mercury Mechanical Protection plan.

LAKE FOREST, CALIFORNIA, UNITED STATES, February 15, 2018

/EINPresswire.com/ -- Mercury Mechanical Protection (commonly referred to as "[Mercury extended warranty](#)") has helped drivers cover unexpected auto mechanical failures for over forty years. Now, autopom!, an authorized Mercury Mechanical Protection Program Provider, is offering Mercury's brand-new program, Mercury Mechanical Protection, direct to consumers in most states nationwide.

Mercury Mechanical Protection is available from autopom!

Mercury Mechanical Protection from Mercury Insurance Group provides car & truck benefits during the manufacturer's original warranty and beyond. If drivers need a repair, outside a factory [vehicle warranty](#), they can take their vehicle to any licensed repair shop in the U.S or Canada. The program also offers 24-hour roadside assistance, rental vehicle assistance, and even trip interruption reimbursement if you break down away from home.

“

In my experience, the Mechanical Protection plans from Mercury represent the best value the industry has to offer to consumers.”

Mike Jones, President and CEO of autopom!

“These benefits and more are available to drivers backed by Mercury Mechanical Protection,” Mike Jones, president and CEO of autopom!, explains; “In my experience, the

Mechanical Protection plans from Mercury represent the best value the industry has to offer to consumers.”

Mercury Mechanical Protection plans are a perfect fit for drivers, of new and pre-owned vehicles, seeking peace of mind from the high cost of unexpected auto repairs.
