The 2018 Tarara Summer Concert Series season kicks-off May 26th with 80's music by The Reflex.

LEESBURG, VIRGINIA, UNITED STATES, February 14, 2018 /EINPresswire.com/ -- The lineup has been announced for the much anticipated 2018 Tarara Summer [Concert Series](#) presented by MainStreet Bank. Tarara Winery, one of Loudoun County's leading wineries, hosts the summer concerts from May 26th - September 29th with each concert starting at 6:00pm. The first concert of the season starts with a nostalgic rendition of 80's pop by The Reflex.

"We're very excited about this year's lineup. Gonzo's Nose, Slippery When Wet, The Legwarmers, Sam Grow, Delta Spur, Brencore Allstars, and Dr. Fu, are a few of the bands that promise to light up Shadow Lake in 2018," noted Rusty Foster, president, Events by Bow Tie, the company that produces and manages the Tarara Summer Concert Series.

What makes the Tarara Summer Concert Series special is its rendition of a versatile ensemble of [music](#). The [event](#) is committed to music lovers of all kinds hosting everything from classic rock to 80's pop to country music to even the grooviest numbers of modern times.

"We heard from many concert attendees last season and added a few different genres of music, but kept many of the staple bands that people love dancing to every summer. On top of that, the fabulous view of the open-air venue, the rotation of food trucks, and the selection of Tarara Wine, all create the perfect atmosphere for our concerts."

For those concert attendees looking for a more private experience, VIP tents are available, which are perfect for entertaining family and friends, corporate picnics, reunions, birthdays, etc. VIP tents include tickets to the concert, tables and chairs, linens, and the best views of the stage.
