[Acai Berry Market 2018](#)

The acai berry is a deep purple berry grown on acai palm. Acai palms are found abundantly in Middle and South Americas, especially in the Amazon River Basin. It is a wild plant cultivated by farmers in Brazil under rainforest conditions. Since golden days, acai berry has been consumed in the form of pulp by the natives. Acai berry has often been credited for providing strength and energy to the natives. It can be added to a balanced diet to satisfy daily nutritional requirements.

The analysts forecast the global acai berry market to grow at a CAGR of 10.31% during the period 2017-2021.
