

Fast Capital 360 Lowers Revenue Threshold to Help More Businesses

Expanded options available to more small businesses, spurring business growth.

SOUTHAMPTON, PA, UNITED STATES OF AMERICA, February 16, 2018 /EINPresswire.com/ -- Fast Capital 360, a leader in the alternative lending space, has announced the reduction of the company's minimum annual revenue requirements from \$150,000 to \$120,000. This alteration comes after evaluating multiple rounds of feedback received from customers and applicants.

Recently ranked at number 146 on the Inc. 500 list, the company decided to become more inclusive of American small businesses. This reinforces that growth is of utmost importance to Fast Capital 360, a belief found in their purpose statement.

Fast Capital 360 CEO, Barb Weidner, said of the announcement, "This shift allows us to support more small businesses trying to grow."

Year over year, Fast Capital 360 has shown exponential growth in providing [small business funding](#). The company announced earlier this year that they had provided more than \$400 million in capital to businesses across the U.S. since their inception and are on track to set a new record for funding provided this fiscal year.

Chief Operating Officer, Roie Raitzes, added, "This change accelerates growth for so many businesses across the country. The opportunities are limitless."

Fast Capital 360 shared that they are continually seeking ways to enhance the quality and accessibility of the funding options available to small businesses. The company features funding alternatives to [online business loans](#) as well as [bad credit business loans](#).
