Clients of winning agencies are 2.3 times more likely to be completely satisfied.

DULUTH, GEORGIA – Analysts International Corporation, (part of ACS), a leading staffing and talent solutions organization specializing in the IT, Engineering, and Finance industries, announced today that they have won Inavero's Best of Staffing® Client Award for providing superior service to their clients. Presented in partnership with CareerBuilder, Inavero's Best of Staffing Client winners have proven to be industry leaders in service quality based entirely on ratings provided by their clients. On average, clients of winning agencies are 2.3 times more likely to be completely satisfied with the services provided compared to those working with non-winning agencies.

Focused on helping US companies find the right people for their job openings, Analysts International Corporation (operating as AIC and Analysts) received satisfaction scores of 9 or 10 out of 10 from 68% of their clients, significantly higher than the industry's average of 32%. Less than 2% of all staffing agencies in the U.S. and Canada have earned the Best of Staffing Award for service excellence.

"Exceptional client service has been the hallmark of Analysts International's business for over 50 years," said Raj Sardana, Chief Executive Officer for ACS, Analysts International Corporation's parent company. "This is the third year in a row that we have won the Diamond Award and the 7th year in a row we have been recognized by Inavero. We are proud and honored to carry on this great tradition of service and to be recognized for our efforts in this way. This is a strong testament to the work of our employees and their commitment and dedication to serving all of our clients," added Sardana.

"With a tight labor market and growing economy, finding the right recruiting partners is critical to success," said Inavero's CEO Eric Gregg. "Best of Staffing winners prove they can provide consistently remarkable service to their clients and job candidates, and I couldn't be more proud to feature them on BestofStaffing.com."
