SAND SPRINGS, OKLAHOMA, UNITED STATES, February 16, 2018 /EINPresswire.com/ -- Local Shaved Ice Business Partners With Sand Springs Chamber For 9th Annual Chillin & Grillin & 3rd Annual Harper's Hut Classic Car Show

This year's car show is set to be the best yet, due in part, to nothing the show directors have done. This year's festivities are taking place at the new and improved Case Community Park in Sand Springs, which recently received a massive overhaul and can compete with any beautiful park in Oklahoma. The park has an amazing splash pad, a huge soccer facility, a world class jogging/biking track, an entrance to the Arkansas river, a mini basketball court donated by the Oklahoma City Thunder, a disc golf course, and kid climbing structures all throughout the park.

The Car Show

The car show starts on Saturday with a check-in starting at 7:30 AM. As always, the show accepts cars, bikes, trikes, trucks, trailers, and projects. The show is a little different from typical Oklahoma car shows in that it has large trophies fashioned from car parts by a local artist: Lucky7's Custom Creations. From Woman's to Men's Pick, these 5 Best in Show trophies are the crown jewel of any car show enthusiasts trophy collection. Each year it seems that more and more showstoppers come out to win our big trophies. Need help getting to the competition? You can always [call a hotshot!](#) Get on over here to Sand Springs on 4/14/18! Where do we find more information about the car show? Check out Harper's Hut for more information.
