

B&H WORLDWIDE TO OPERATE AND MANAGE SPECIALIST WAREHOUSE IN SINGAPORE FOR VSE AVIATION

ALPS FREE TRADE ZONE,
SINGAPORE, February 19, 2018
/EINPresswire.com/ -- SINGAPORE:
B&H Worldwide, the-best-in-class,
aerospace logistics company and winner
of the 2018 BIFA Freight Service award
for Supply Chain Management has been
awarded a two year contract to manage
the warehousing, operation and storage
of spare parts for VSE Aviation at the
B&H regional hub in Singapore.

Operating from its established facility in
the Singapore Free Trade Zone, B&H will
provide a 24/7, 365 service to VSE
Aviation to ensure that its customers
have timely access to products according
to set Service Level Agreements.

The VSE group of companies specialises
in supply chain management and
maintenance, repair and overhaul (MRO)
services for business aviation aircraft engines and related accessories and is now expanding its
operation into the rapidly growing Asian after-market.

“

Adding a prestigious name
such as VSE Aviation to our
client portfolio is a
tremendous testament to the
hard work of our team and
our growing reputation for
delivering the highest service
standards.”

*Stuart Allen, B&H Worldwide
Group CEO.*

With immediate effect B&H will be using its advanced IT
solutions provided through its unique OnTrack system to
manage the operation and storage of parts for VSE Aviation
which will enable it to provide customers with the greatest
possible level of transparency.

Says Paul Goffredi, President and Chief Operating Officer of
VSE Aviation: "We chose B&H because of the value they
place on customer service, technology and our business
needs. With B&H providing solutions to precisely meet our
needs, it enables VSE Aviation to focus on customer
expectations and business growth".

Says B&H Worldwide Group CEO, Stuart Allen: "Our
dedicated Singapore facility is a strategic hub for our global operation and with our broad customer
base of leading airlines, spare part stockists, MROs and repair vendors, we are committed to

ensuring we can meet all their requirements through a single, dedicated facility. Adding a prestigious name such as VSE Aviation to our client portfolio is a tremendous testament to the hard work of our team and our growing reputation for delivering the highest possible service standards".
