We’re thrilled Auto/Mate has been recognized as one of the best by the people to whom their services count the most: the dealer community.”

The DrivingSales Dealer Satisfaction Awards measure dealer satisfaction with vendor products and services, and are based on cumulative ratings tallied and verified over the calendar year (January – December) at DrivingSales.com Vendor Ratings. DrivingSales Vendor Ratings is the industry's only neutral, comprehensive vendor rating forum featuring real-time peer reviews and honest competitor comparisons, and provides dealerships with important information from actual customers who have hands-on experience using vendor products/solutions in their stores. Each rating is verified as coming from an actual dealership employee.
