Marquis Jetset Concierge Offers the Authentic Jetset Experience with Exclusive Concierge Services
"Marquis Jetset, the provider of concierge services worldwide, offers bespoke curated travel arrangements exclusively to its private aviation clients!"

Los Angeles, CA - February 13, 2018 – Marquis Jetset, a premier provider of luxury lifestyle management & concierge services, offers a private membership exclusively for their discerning jetset clients. Both the owners of private jets and the avid jetset travelers who love the flexibility of 'on demand charter' services known to many as "pay to fly" can take advantage of this membership.

The company says, "Marquis Membership is an extension to the current business model of on-demand charter but takes the luxury a leap forward by offering world-class lifestyle management services." The company's super elite team of trained travel advisors, who have acquired sufficient round-the-globe travel experiences, handle every facet of this service. From handling [private jet](#) arrangements to offering bespoke travel itineraries, recommendations and bookings for luxury hotels and restaurants,

priority access to pubs, bars, nightclubs, events and more, they skillfully curate customized lifestyle experiences for the clients.

“We have created programs that are personally curated to provide the kind of experience people are looking for. We do this by planning, researching and developing curated travel experiences”, says the company.

One of the several challenges faced by the travelers is that their journey is often fragmented. From booking a private charter to searching for hotels, restaurants, pubs and more in a given city, it's pretty tough to keep the travel spirit up amidst all these hassles. By combining the luxuriant private jet experience with concierge services, Marquis Jetset aims to make the journey of their clients as stress-free as possible.

According to a Company Senior Lifestyle Advisor, “As a [marquis member, private jet travelers can enjoy exclusive jetset lifestyle](#) privileges and make their journey more pleasurable.”

In order to offer its clients the best-in-class private jet experience, the company has partnered with a leading charter company that provides the premium aircrafts with the highest safety rating. Marquis Jetset has also collaborated with one of the most exclusive and luxury resorts, hotels, and private villas around the world that cater to the jetset clients holding this exclusive membership. In addition to that, the clients also get the privilege to enjoy a private arrangement in hard to score restaurants, private membership clubs and more.

With all these perks, Marquis Jetset is truly the only bespoke private jet concierge service provider. The idea to personalize the overall travel experience of jetset clients is certainly one of the most exciting new arrivals in the private aviation industry.

Currently, the exclusive access to Marquis Membership is available by invite only and the company is not charging anything for it. This means the members can enjoy all these elite benefits and indulge in the experience to build a solid and loyal relationship of a lifetime at no additional cost.

The company says, “This exclusivity is because we prefer quality clients who can benefit from our catered services and extended network, and obtain access to luxury voyages. Moreover, it will allow us to cater the needs of our members far better than catering a large group of members at the same time.”
