Takeaway food orders are made via telephone, restaurant websites and apps, online restaurant places, and dine-ins. The US stood as the largest takeaway food market with highest revenue contribution, whereas, the UK was the largest takeaway market within Europe. Growth of the market was driven by increased urbanization, increased usage of internet worldwide, and rising use of mobile internet. Some of the noteworthy trends of the industry includes emerging multicultural population, online market place convenience and strategic mergers and acquisitions.

Key challenges include barriers to entry because of high logistical complexities and tedious development and implementation of systems that accept orders online. Setting up things turn out to be very expensive and time consuming for new players in the market.

The report "Global Takeaway Food Market: Industry Analysis & Outlook (2017-2021)" by Konzept Analytics provides a comprehensive study of global market and major regional markets. The global takeaway food market remains highly competitive consisting of several large enterprises including Just Eat Plc, Grubhub Inc., Takeaway.com and Delivery Hero.
